

UFUK KIZILGEDİK

kizilgediku@gmail.com | [REDACTED] | Istanbul | [linkedin.com/in/ufuk-kizilgedik](https://www.linkedin.com/in/ufuk-kizilgedik)

Social listening strategist and market research leader with 5 years at Ipsos Turkey and a solid foundation in quantitative and qualitative research. Proven track record of translating online data into actionable brand, competitive, and consumer intelligence. Experienced in leading research teams, managing client relationships, and delivering data-driven storytelling across brand health, audience analytics, and trend forecasting.

WORK EXPERIENCE

Ipsos Türkiye, Istanbul

Senior Research Manager & Team Lead | Jan 2025 – Present

Research Manager & Team Lead | Nov 2023 – Dec 2024

Research Manager | Jan 2023 – Oct 2023

- ▶ Lead a team of 3 researchers delivering end-to-end social listening, competitive intelligence, and trend forecasting projects for clients in FMCG, consumer electronics, banking & finance, and tobacco among others.
- ▶ Design complex Boolean queries, oversee data collection and sentiment analysis pipelines, and translate online conversation data into strategic recommendations that inform campaign development, brand positioning, and crisis response.
- ▶ Delivered tens of social listening engagements, including always-on brand monitoring dashboards, ad-hoc crisis analyses, and category deep-dives.
- ▶ Serve as Ipsos Turkey's subject-matter expert on social listening methodology, training junior researchers and advising other departments on integrating social data into broader research programs.
- ▶ Developed standardized reporting templates and analytical frameworks adopted across the social listening team.

Senior Project Executive (Creative Excellence & Brand Health Tracking) | Jul 2021 – Dec 2022

- ▶ Executed quantitative creative/ad testing projects and brand health tracking studies using Ipsos proprietary methodologies, managing fieldwork, data processing, and statistical analysis.
- ▶ Built hands-on expertise in survey design, sampling, significance testing, and normative benchmarking.
- ▶ Contributed to qualitative research components including focus groups / in-depth interviews, translating consumer feedback into creative optimization recommendations.

Bukafa Medya, Istanbul

Digital Strategy Manager | Aug 2020 – Jun 2021

- ▶ Developed and executed digital content and social media strategies for key clients, combining audience analytics with competitive benchmarking to optimize brand presence across platforms.
